The address of the Company's registered office is at the offices of Conyers Trust Company (Cayman) Limited, Cricket Square, Hutchins Drive, PO Box 2681, Grand Cayman, KY1-1111, Cayman Islands. The Company's principal place of business is located at 8/F., Wheelock House, 20 Pedder Street, Central, Hong Kong. The ultimate controlling shareholder of the Company is Mr. Chan Tsang Tieh ("**Mr. Chan**") as of the date of this report. Mr. Chan is also the chairman of the Board (the "**Chairman**") and an executive Director.

The Company is an investment holding company and its principal subsidiaries are principally engaged in the provision of financial printing services in Hong Kong.

The unaudited condensed consolidated financial statements of the Group for the six months ended 31st March 2020 (the "**Unaudited Condensed Consolidated Financial Statements**") are presented in Hong Kong Dollars ("**HK\$**") which is also the functional currency of the Company and all values are rounded to the nearest thousand ("**HK\$'000**") unless otherwise stated.

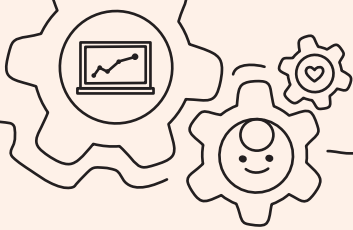

2. BASIS OF PREPARATION

The Unaudited Condensed Consolidated Financial Statements have been prepared in accordance with the Hong Kong Financial Reporting Standards (the "**HKFRSs**") issued by the Hong Kong Institute of Certified Public Accountants and the applicable disclosure requirements of the GEM Listing Rules.

The accounting policies and methods of computation used in the preparation of the Unaudited Condensed Consolidated Financial Statements are consistent with those adopted in preparing the annual financial statements of the Group for the year ended 30th September 2019.

The Unaudited Condensed Consolidated Financial Statements have been prepared under the historical cost basis.

On 1st October 2019, the Group adopted all the new and revised HKFRSs, amendments and interpretations that were effective from that date and were relevant to its operations. Except HKFRS 16 as described below, the adoption of these new and revised HKFRSs, amendments and interpretations does not result in changes to the Group's accounting policies and has no material effect on the amounts reported for the current or prior period.

3. APPLICATION OF NEW AND REVISED HKFRSs

AMENDMENTS TO HKFRSS THAT ARE MANDATORILY EFFECTIVE FOR THE CURRENT PERIOD

Amendments to HKFRSs	Annual Improvements to HKFRSs 2015–2017 Cycle
Amendments to HKFRS 9	Prepayment Features with Negative Compensation
HKFRS 16	Leases
Amendments to HKAS 19	Plan Amendment, Curtailment or Settlement
Amendments to HKAS 28	Long-term Interests in Associates and Joint Ventures
HK (IFRIC)-Int 23	Uncertainty over Income Tax Treatments

HKFRS 16 LEASES

HKFRS 16 introduces a comprehensive model for the identification of lease arrangements and accounting treatments for both lessors and lessees. HKFRS 16 supersedes HKAS 17 *Leases* and the related interpretations.

HKFRS 16 distinguishes lease and service contracts on the basis of whether an identified asset is controlled by a customer. The distinction of operating leases and finance leases is removed for lessee accounting, and is replaced by a model where a right-of-use asset and a corresponding liability have to be recognised for all leases by lessees, except for short-term leases and leases of low-value assets.

Before the adoption of HKFRS 16, commitments under operating leases for future periods were not recognised as liabilities. Operating lease rental expenses were recognised in the consolidated statement of profit or loss and other comprehensive income over the lease period on a straight-line basis. Under HKFRS 16, the Group measures a leased liability based on the present value of the remaining lease payments, discounted using the incremental borrowing rate at the date of initial adoption. The unpaid rental payable under the original financial reporting standards on leases will be included in the remaining lease payments. The Group measures right-of-use assets based on each lease option assuming that the new standards on leases are adopted to measure right-of-use assets once the lease term commences, and the carrying amount is discounted using the incremental borrowing rate at the date of initial adoption.

4. REVENUE

Revenue represents the value of financial printing services rendered.

The following is an analysis of the Group's revenue from its financial printing services during the three and six months ended 31st March 2019 and 2020:

5. SEGMENT INFORMATION

HKFRS 8 *Operating Segments* requires identification and disclosure of operating segment information based on internal financial reports that are regularly reviewed by the executive Directors, being the chief operating decision maker, for the purpose of resources allocation and performance assessment. On this basis, the Group has determined that it has only one operating segment which is the provision of financial printing services.

In addition, all of the Group's revenue is generated in Hong Kong and all of the Group's assets and liabilities are located in Hong Kong. Accordingly, the Group does not present separately segment information.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW AND OUTLOOK

During the six months ended 31st March 2020, the Group recorded an increase in revenue of approximately 24.4% as compared to that of the same period of last year, which was mainly attributable to the increase in revenue generated from the (i) listing-related documents segment of approximately HK\$4.2 million from approximately HK\$10.3 million for the six months ended 31st March 2019 to approximately HK\$14.5 million for the six months ended 31st March 2020; and (ii) compliance documents segment of approximately HK\$2.0 million from approximately HK\$5.6 million for the six months ended 31st March 2019 to approximately HK\$7.6 million for the six months ended 31st March 2020. The Group recorded a loss after tax of approximately HK\$1.0 million for the six months ended 31st March 2020 as compared with that of approximately HK\$8.1 million for the six months ended 31st March 2019.

Despite the challenging operating environment, Hong Kong will stay as a leading initial public offering (“IPO”) fund raising centre globally and recently, we have already seen the early resurgence in the city’s IPO activities as well as the demand for the first-tier financial printing services. We firmly believe that customer satisfaction and quality services are the cornerstones of the Group’s long-term sustainable growth. Thus, the Group will continue to invest in our facilities and our staff to further enhance our service standard and competitiveness.

FINANCIAL REVIEW

REVENUE

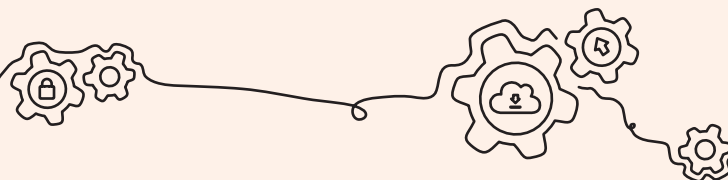

The Group’s revenue increased from approximately HK\$22.5 million for the six months ended 31st March 2019 to approximately HK\$28.0 million for the six months ended 31st March 2020, representing an increase of approximately 24.4%. Segmentally, revenue generated from the listing-related documents and revenue generated from compliance documents increased by approximately HK\$4.2 million and approximately HK\$2.0 million, respectively whereas revenue related to periodical reporting documents and revenue generated from miscellaneous and marketing collaterals decreased by approximately HK\$0.6 million and approximately HK\$0.1 million, respectively. The increase in revenue was mainly attributable to an increase in the revenue generated from handling listing-related documents as a result of an increase in the number of new customers successfully listed on the Stock Exchange during the six months ended 31st March 2020.

COST OF SERVICES

The Group’s cost of services mainly included translation cost, printing cost and staff cost, which represented approximately 39.2%, 22.2% and 28.0%, respectively of the Group’s total cost of services for the six months ended 31st March 2020. The Group’s cost of services increased from approximately HK\$13.8 million for the six months ended 31st March 2019 to approximately HK\$13.9 million for the six months ended 31st March 2020, representing an increase of approximately 0.7%. Owing to the Group’s stringent cost control, the extent of the increase in cost of services was lesser than the increase of the Group’s revenue during the period under review.

GROSS PROFIT

The Group’s gross profit increased from approximately HK\$8.7 million for the six months ended 31st March 2019 to approximately HK\$14.1 million for the six months ended 31st March 2020, representing an increase of approximately 62.1%. The increase was mainly attributable to the increase in revenue generated from the listing-related documents and compliance documents.

OTHER INCOME

The Group's other income was relatively stable, which was approximately HK\$0.4 million for both the six months ended 31st March 2019 and 2020.

SELLING AND DISTRIBUTION EXPENSES

The Group's selling and distribution expenses were more or less the same, which were approximately HK\$1.1 million and approximately HK\$1.0 million for the six months ended 31st March 2019 and 2020, respectively.

ADMINISTRATIVE EXPENSES

The Group's administrative expenses decreased from approximately HK\$16.1 million for the six months ended 31st March 2019 to approximately HK\$13.8 million for the six months ended 31st March 2020. The decrease was mainly attributable to a decrease in staff cost.

FINANCE COSTS

The Group did not incur any finance costs for the six months ended 31st March 2019 whereas finance costs on lease liabilities of approximately HK\$0.6 million were recorded for the six months ended 31st March 2020 due to the adoption of HKFRS 16.

INCOME TAX EXPENSE

No provision of Hong Kong profits tax has been made for the six months ended 31st March 2019 and 2020 as the Group had no assessable profits for the periods and had available tax losses brought forward from prior years.

LOSS FOR THE PERIOD

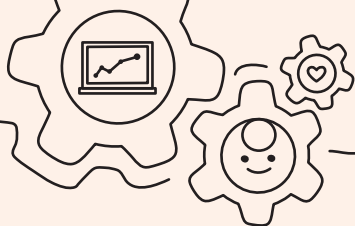

The Group recorded a loss after tax of approximately HK\$1.0 million for the six months ended 31st March 2020 as compared with that of approximately HK\$8.1 million for the six months ended 31st March 2019. The change was primarily due to the increase of the Group's revenue during the six months ended 31st March 2020.

LIQUIDITY, FINANCIAL RESOURCES AND CAPITAL STRUCTURE

As at 31st March 2020, our Group had cash and bank balances and time deposits of approximately HK\$50.5 million (30th September 2019: HK\$47.4 million) and did not have any bank borrowings (30th September 2019: HK\$Nil).

Our primary use of cash is to satisfy our working capital and capital expenditure needs. Historically, our Group's use of cash was mainly financed through a combination of cash received from the provision of services and financial support from our shareholder. Since the Listing, our liquidity requirements have been satisfied using a combination of cash generated from operating activities and net proceeds from the Listing. Our Directors believe that in the long term, our Group's operation will be funded by internally generated cash flows and, if necessary, additional equity and/or debt financing.

As at 31st March 2020, our Group's current assets amounted to approximately HK\$79.6 million (30th September 2019: HK\$80.6 million) and current liabilities amounted to approximately HK\$25.3 million (30th September 2019: HK\$15.1 million). Current ratio (calculated by dividing current assets by current liabilities) was 3.1 times as at 31st March 2020 (30th September 2019: 5.3 times).

CAPITAL EXPENDITURE

For the six months ended 31st March 2020, our capital expenditure amounted to HK\$Nil.

USE OF NET PROCEEDS FROM THE LISTING

The Shares were listed on GEM on 2nd February 2018 with net proceeds received by the Company from the Share Offer (as defined in the prospectus of the Company dated 23rd January 2018 (the **"Prospectus"**)) in the amount of approximately HK\$28.7 million (the **"Net Proceeds"**), after deducting underwriting commission and all related listing expenses. The Net Proceeds have been/will be used in the manner consistent with that set out in the section headed "Future Plans and Use of Proceeds" of the Prospectus.

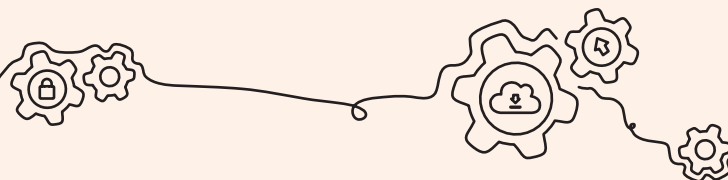

The table below sets out the planned applications of the Net Proceeds and actual usage:

Intended application of the Net Proceeds	Total expenditure of the planned applications (Note 1) (HK\$ million)	Planned use of Net Proceeds (Note 2) (HK\$ million)	Actual usage from the Listing Date and up to 30th September 2019 (HK\$ million)	Actual usage for the six months ended 31st March 2020 (HK\$ million)	Unutilised Net Proceeds as at 31st March 2020 (HK\$ million)
Upgrading the Central Office (Note 3) and setting up a new office	18.6	13.9	3.1	—	10.8
Expanding the workforce	10.0	7.5	3.0	1.4	3.1
Upgrading and acquiring equipment and software	6.0	4.5	1.1	0.2	3.2

Notes:

- (1) Refers to the future plans as stated in the Prospectus.
- (2) Refers to the planned use of Net Proceeds as stated in the Prospectus.
- (3) Central Office represents the Group's headquarters and principal place of business located at 8/F., Wheelock House, 20 Pedder Street, Central, Hong Kong.

As at the date of this report, the unused Net Proceeds were deposited in a licensed bank in Hong Kong and the Directors do not anticipate any material change to the plan as to the use of the unutilised Net Proceeds.

COMPARISON OF BUSINESS OBJECTIVES WITH ACTUAL PROGRESS

The following is a comparison of the Group's business objectives as set out in the Prospectus with actual progress.

Business objectives as set out in the Prospectus	Actual progress up to 31st March 2020
— Upgrading the Central Office and setting up a new office (<i>Note</i>)	The renovation work of the Central Office was completed by the end of December 2018.
— Expanding the workforce (<i>Note</i>)	The Group has recruited additional staff to join the sales, services and operations departments.
— Upgrading and acquiring equipment and software (<i>Note</i>)	The Group has upgraded its computer, email system and existing server configuration, and acquired conference rooms' facilities for serving its customers.

Note: Reference is made to the Prospectus under the section headed "Use of Proceeds". It is disclosed that the Company planned to utilise a portion of the Net Proceeds for setting up a new office which (i) was to replace the office located at New Kowloon Plaza, West Kowloon, Hong Kong (the "**Kowloon Office**") upon expiry of the lease in August 2018 and (ii) would be in the proximity of the Central Office. At the time the Group designated its plan in the section headed "Use of Proceeds" and the time it was actively sourcing an appropriate office in the vicinity of Central and western districts in Hong Kong subsequent to the Listing, the Group has found that rental had soared significantly during the intervening period. During year 2018, the Group, therefore, resorted to extending the lease contract of the Kowloon Office for another year. During year 2019, the lease contract was further extended till August 2020. However, having considered the increasingly competitive business environment, the economic slowdown in Hong Kong and the actual development of the Group, the Group did not fully utilise the Net Proceeds in accordance with the planned time frame disclosed in the Prospectus. We have planned to delay the utilisation of the Net Proceeds from the six-month period ended 31st March 2020 to the year ending 31st March 2021. We shall continue sourcing a prospective location in the Central and western districts as planned.

GEARING RATIO

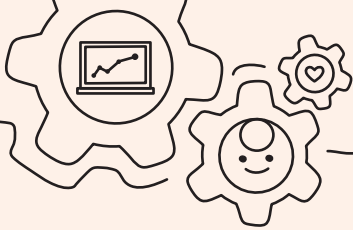

Gearing ratio is calculated as net debt (comprising contract liabilities, trade payables, accruals, and lease liabilities, less cash and cash equivalents) at the end of the respective period divided by total equity. Gearing ratio was not applicable to the Group as at 31st March 2020 and 30th September 2019 as the Group did not have net debt on both dates.

FOREIGN CURRENCY EXPOSURE

Since the Group's business activities are solely operated in Hong Kong and mainly denominated in Hong Kong Dollars, the Directors consider that the Group's risk in foreign exchange is insignificant.

CAPITAL COMMITMENTS

As at 31st March 2020, apart from the implementation plans, capital needs and financing plans as stated in the sections headed "Future Plans and Use of Proceeds" and "Financial Information" of the Prospectus, the Group had no other new implementation plans or financing plans.
